WORK EXPERIENCE

Full Stack Developer | Internship Feb 2026 - May 2026
AK Technologies On-site • Coimbatore

- Developed and optimized user-facing features to improve UI/UX and overall usability.
- Collaborated with a team to develop a scalable ERP web application, implementing full-stack features, database integration, debugging, and performance optimization.

Technologies / Skills Used : React, Express, Node.js, MongoDB, Tailwind CSS

SKILLS

Frontend : HTML, CSS, React.js, Tailwind CSS

Backend : Node.js, Express

Tools & Platforms : Git, GitHub, Vercel

Databases : MySQL, MongoDB, Firebase

Languages : Tamil, English

PROJECTS

Drawing Order Platform | △ Vercel

- Developed and presented a full-stack drawing order platform to clients to showcase artwork portfolio and social media profiles.
- Implemented features for browsing artworks and placing custom orders.
- Built an admin dashboard, facilitating efficient order management, tracking, and updates for operations teams.

Technologies / Tools Used : React, Node.js, Express, MongoDB

AVSECO Industries | △ Vercel

- Developed and presented an ERP web application for areca leaf plate manufacturing to key stakeholders.
- System manages inventory, orders, production tracking, customer management, and sales operations, facilitating data-driven reporting for executive stakeholders.
- Streamlined business processes through a centralized platform, collaborating with cross-functional teams to articulate operational improvements.

Technologies / Tools Used : React, Node.js, Express, MongoDB, Tailwind CSS

Dora AI - Tamil Assistant | △ Vercel

- Developed an AI-powered chatbot, articulating intelligent responses in text and natural Tamil voice to stakeholders.
- Enabled seamless voice and text interactions.
- Enhanced user experience by collaborating with design teams on real-time conversations and an intuitive interface.

Technologies / Tools Used : React, Node.js, Express, Firebase, Gemini API

AWARDS & ACHIEVEMENTS

- Awarded **2nd Place** in the **Web Design Competition** at **Hindustan College of Arts and Science**, demonstrating creativity and proficiency in web design and user interface development.
